INNOVATE, CONNECT AND TRANSFORM THE FUTURE

## MEMBERSHIP

PTC is a non-profit membership organization committed to advancing digital infrastructure, telecommunications, and ICT globally, with focus on the Pacific Rim.

Join PTC to lead and **accelerate** ICT advancements across the Pacific region and beyond with a network of global leaders in telecommunications and information technology.

As a **non-profit**, PTC is committed to professional education and fostering collaborative dialogues that propel ICT deployment and growth.

**Engage** with a diverse community of professionals, organizations, technologists, and influencers dedicated to driving industry progress and enhancing life in Pacific Rim communities.

PTC actively engages its members year-round in advancing industry innovations and developing infrastructure that transforms lives. The community focuses on strategies to thrive in the digital economy, facilitating business and partner development among startups, carriers, and academic institutions. It explores emerging technologies like SDN/NFV and optical satellites, addresses current issues such as net neutrality and privacy, and promotes public policy strategies and best practices that consider the needs of all stakeholders. PTC also champions societal goals like sustainability, empowering women in leadership, and bridging the digital divide.
